

## WESTERN PENNSYLVANIA AREA 60 NEWSLETTER

## SEEDS OF SERVICE

**VOL. XXXIII, Issue 4**  
**Fall 2021**

**Seeds of Service**

The WPA Area 60 newsletter is published quarterly by the Area Committee. It is for AA members only. The opinions expressed are those of the contributors and not necessarily that of the Area Committee or Alcoholics Anonymous as a whole.

We hope *Seeds of Service* will be a useful reference for GSR reports.

**Distribution**

Paper copies are distributed to DCMs at each quarterly meeting for redistribution to AA groups through their GSRs. A PDF copy of the newsletter is available at [www.wpaarea60.org](http://www.wpaarea60.org). It can also be sent electronically to DCMs and GSRs, if the Area Registrar has a correct email address.

**Write for SoS**

The 2022 theme for the  
General Service Conference is:

- ◆ Spring Topic: Going Beyond Fear
- ◆ Summer Topic: How to Reach Anyone, Anywhere
- ◆ Fall Topic: To be determined

**“SERVICE IN A CHANGING WORLD”****“Resuscitating Service”**

*Terry B., District 40, DCM*

**“Resuscitation** - the act or an instance of restoring someone or something to an active or flourishing state (Merriam-Webster Dictionary)”

As of Fall 2019, District 40 was not active. We needed a new DCM. There was no communication happening between the groups, Area 60, or with the General Service Office (GSO). The question that came to mind was “How are we carrying the message?” I heard the responsibility statement and knew that I wanted the hand of AA always to be there, and for that I am responsible. How was this going to happen?

By actively working the Eleventh Step, I sought through prayer and meditation to improve my conscious contact with God as I understood him. I prayed for the knowledge of his will for me as DCM, (and the power to carry that out.) Having had a spiritual awakening as the result of using the steps, I came to believe that my higher power, who I choose to call God, put this opportunity in front of me for a reason. So, I said yes, I will be of service.

Tradition One states that our common welfare, AA unity, enables personal recovery. The groups are once again linked through the District. As DCM, I am only a trusted servant, enabling communication between the groups, Area 60, and the GSO. Tradition Four, autonomy, except when affecting other groups or AA as a whole, is understanding when that is, or is not, an issue and can now be resolved. The District Committee is directly responsible to the groups in the District, to ensure the hand of AA is always there. Through practicing attraction rather than promotion, our actions in sobriety, individually and collectively, lead others by example, and maybe, prospective members of the fellowship will want what we have. By living Tradition Twelve, and placing principles before personalities, I am able to recognize that we are all different, and yet, we are all the same, one day at a time.

**“For another 24-hours, we are united in our Primary Purpose, staying sober and helping other alcoholics to achieve sobriety.”**

## Service with a (Virtual) Smile

Meagan C., Area 60 Newsletter Editor

In December 2019 I had just arrived back to A.A, shipwrecked after a two-year bender in which alcohol was the great victor. The irony of it all was I truly believed, and portrayed, my life to be something desirable and glamorous. In reality, the isolation, chaos, and despair had enclosed upon me on all sides. The Great Lie had collapsed. In a brief moment of clarity, prompted by the arrival of a gorgeous camel-colored Chanel satchel at my door, (that's a story for another day), I asked myself "*what am I doing?*" The very next day, I found myself in the very place you all asked me to keep coming back to.

At three months sober, I was hitting two to three meetings per day when face-to-face meetings shut down overnight due to COVID-19. Internally, I was terrified. How was I going to stay sober alone? Quickly, our Fellowship began to navigate the tumultuous waves of staying sober through a world-wide pandemic. Zoom meetings began popping up by the hundreds, tiny islands of refuge and connection on a horizon of uncertainty. One Friday evening, I found myself led to an online meeting appropriately titled "Into Action." A week later, I was an active homegroup member and serving in a role as "Virtual Greeter." I took that job seriously, as if my life depended on it. I believe it probably did. I learned through this experience that ***clarity comes from doing, not thinking about doing.***

What our group began to notice is that when we had three virtual greeters serving each meeting, welcoming everyone who entered the room with a chat, a virtual smile, and a "hello," our 'return rate' was 80% higher the next day than when we had only one greeter "working the door." This simple act of connection was perhaps the lifeline that was bringing people back. In the "zoom baby" age, it might have been the difference between someone feeling welcomed, recognized, and seen, or heading out for their next drink.

As social animals, the need to belong is one of the main forces that drives us as individuals, perhaps even more so as alcoholics. The most impactful service role I have held since getting sober was that of "Virtual Greeter" in a pandemic. While I can't be certain it prevented anyone else from taking the first drink — it kept me sober, sane, and connected for a few more 24's.

## A GSR Shares Her Experience

*Victoria D., District 27, Saturday Night Live, GSR*

**Do you mind sharing your sobriety date?** My sobriety date is August 16<sup>th</sup>, 2018.

**How long have you been serving in your role as GSR?** Just after celebrating my 3rd year in sobriety, I became GSR, so I'm relatively new to this position.

**What inspired you to step up and serve?** I felt moved in my heart to act as GSR because my home group did not have a voice.

**What are some of the benefits you've experienced in your home group, if any, going from not having an active GSR, to now?** The immediate benefit is the information passed to our home group that I get from attending the District 27 GSR meeting, that we otherwise wouldn't have. We become an informed group.

**In your own words, what do you get out of being a part of AA General Service? Has it benefited you on a personal level, or in your sobriety?** Personally, I have felt a boost in my self-esteem by giving back to my AA home group. In my sobriety I feel more a part of AA, being that my sponsor directed me to study the traditions and concepts. It's a feeling of being "in the middle" for me.

**Final question- what was your experience like attending the Area 60 Post-Conference Assembly for the first time in August 2021?** I wasn't expecting it to be so long, but it was well worth it! It was very informative and beautiful to see AA in action through service. I gathered a lot of information that I was excited to bring back to my group. It has prompted people to come up to me asking me questions, for which I dig into my notes for more answers as needed.

**Have you experienced any service-related "bloopers" yet?** No bloopers yet. Although, I think it has taken me out of myself since I don't turn red talking anymore. (At least I don't think I do)!

## *The Agenda Committee*

The theme for the for the 2022 General Service Conference will be: “AA Comes of Age 2.0: Unified in Love and Service.” Supporting Topics: How do A.A.’s go to Any lengths to Recover, Unify, and Serve, Going Beyond Fear, and How to Reach Anyone, Anywhere.

The Workshop topic for the 2022 Conference will be “The Warranties—Our Promise to the Fellowship and to the World.” **PASSED: All became Advisory Actions**

## *Archives Committee*

### **No Advisory Actions**

The Committee Considered a workbook and suggested ways to conduct ASL interviews to offer greater diversity of sharing. They **TOOK NO ACTION** on a proposal for an A.A. History book from 1955 to Present, because one volume may not be enough and there were concerns around world-wide diversity and ethnicity, perhaps unintentionally leaving out “some portions of the Fellowship that are today unreported.”

## *Cooperation with the Professional Community*

The Committee advised that an A.A.W.S. LinkedIn page be implemented by G.S.O. to provide current and relevant content about A.A. to professionals.

Recommended that the Trustees’ CPC/ Treatment & Accessibilities Committee develop a pamphlet directed to mental health professionals and that a progress report be brought to the 2022 Conference Committee on CPC, the updated draft pamphlet “Members of the Clergy Ask About Alcoholics Anonymous” be approved and retitled “Faith Leaders Ask About Alcoholics Anonymous” **PASSED: All became Advisory Actions**

## *Corrections*

That revisions be made to A.A.W.S. literature directed to members behind the walls and that the terms “inmate” and “offender” be replaced with “person in custody” **PASSED: became an Advisory Action.**

The committee recommended that the Trustees update language used in Corrections materials for Professionals and the need for developing language to refer to “persons in custody”

Furthermore, the Committee requested the Trustees develop service pieces that will explain digital distribution terminology to those carrying the message behind the walls, as many state corrections facilities are moving away from printed libraries to digital platforms.

## *Finance*

A watermark with the word “SAMPLE” be added to the 2<sup>nd</sup> and 3<sup>rd</sup> pie charts on p. 13 of the pamphlet “Self-Support: Where Money and Spirituality Mix” **PASSED: became an Advisory Action**

Additional language be added to the pamphlet: “Self-Support: Where Money and Spirituality Mix”

- ◆ On p. 7 the section “A.A.’s General Service Office” - “Please note that not all areas, districts, intergroups, and central offices follow these divisions of service for institutions work, cooperation with the professional community public information, etc. Therefore, prior to making contributions in your area, please find out which entity is providing these services and allocate your contributions accordingly.
- ◆ On p. 13 after the pie chart examples, “Duties of the entities notated above are described on page 7 of this pamphlet. Performance of these service duties vary from area to area. Please be sure to inquire which services those entities provide for YOUR area and contribute accordingly.” The Committee made suggested that any updates made to the pie charts in the pamphlet “Where Money and Spirituality Mix” be reflected on similar Service Materials.

### *Grapevine and La Vina*

The Committee reviewed a progress report on the development of an Instagram account. They voted that the Grapevine Board implement the account and report back next year on how it's going. **PASSED: became an Advisory Action**

The Committee also reviewed a heavily revised draft version of the Grapevine Workbook and submitted a list of suggestions. They considered gender-neutral language options for the A.A. Preamble, and a list of suggested Grapevine book topics for 2022 or later. They **TOOK NO ACTION** but forwarded the suggestions that the following titles be approved as Grapevine books- "A. A's Twelve Concepts" and "The Home Group II."

### *International Conventions/ Regional Forums*

#### **No Advisory Actions.**

The committee considered options other than the Lord's Prayer to close the Big Meetings at the International Conventions, including the Third Step Prayer, the Seventh Step Prayer, and A.A.'s Declaration of Unity. Additionally, they reviewed ways to encourage interest in Regional Forums and attract first-time attendees.

\*It is interesting to note that of the 1044 people registered for the NERF (Northeast Regional Forum) at the beginning of the month, 577 were first timers! Area 60 was well-represented at this Forum.

### *Policy/Admissions*

It was recommended that Krishna M.V., Chair of the General Service Board of A.A. India, be admitted to the 71<sup>st</sup> GSC as an observer (approved via polling process), that a process be developed for polling GSC between annual meetings using virtual technologies, and that an "Equitable Distribution of Workload Process" be implemented for the 72<sup>nd</sup> GSC on a three-year trial basis. It was also decided that US/Canada General Service Structure will recognize online groups and encourage their participation in the US/Canada Service Structure. **PASSED: All became Advisory Actions.**

The Committee also considered information regarding preferences for the 2025 GSC, requested a process for approving observers without an Advisory Action, recommended that the full budget amount be used for translating background material earlier for non-English speaking Delegates, and finally, requested that the Trustees continue to explore a process for a Conference Committee to review, discuss, and act on proposed agenda items.

### *Public Information*

The Committee approved the videos "Party" and "Wall" as well as one to two PSA's to be centrally distributed to broadcast media, a feasibility study on paid placement of PSA videos on streaming platforms, and the production of podcasts containing sharing within the Fellowship & information about A.A. to the public.

Additionally, the committee recommended to revise the pamphlet "Speaking at Non-A.A. Meetings" to better reflect carrying the A.A. message to diverse public audiences in non A.A. settings, and the pamphlet "A Message to Teenagers" to better reflect carrying the A.A. message to young people. **PASSED: all became Advisory Actions**

The committee considered a wealth of other information but **TOOK NO ACTION**, including Google Ads for P.I., surveys, a "Comprehensive Media Plan", and editorial updates to "Understanding Anonymity" publications that reflect current technologies.

### *Treatment and Accessibilities*

That audio interviews with A.A. members who are in the Armed Forces be approved and posted on the G.S. O.'s A.A. website. **PASSED: became an Advisory Action**

### *Trustees*

The Committee approved a slate of officers to be elected at the annual meeting of the GSB, approved a slate of directors to serve on the A.A.W.S. Corporate Board, and approved a slate of directors to serve on the AA Grapevine Corporate Board. **PASSED: all became Advisory Actions.**

### *Literature*

This Committee had an unprecedented agenda, resulting in **14 Advisory Actions-**

- ◆ "A.A.W.S Policy on Conversion of Written Conference-Approved Literature and Service Material into Video Format" be approved.
- ◆ "A.A. for the Black and African-American" be updated.
- ◆ The Long Form of each Tradition be included at the end of the corresponding essays in the Twelve & Twelve.

#### A note from our 71<sup>st</sup> GSC Delegate, Jody K.

I survived the 71<sup>st</sup> Virtual General Service Conference. It was a bummer, it was a ton of work, and I am still incredibly humbled that you all trusted me to do this service for Area 60. I would do it all again in a heartbeat. Thank you for allowing me to serve.

# Get to Know Area 60!

## Two Types of Area Meetings

1. **Quarterly Meeting:** Decides area business. DCMs, Area Officers and Coordinators, past Delegates vote.
2. **Area Assembly:** Elects officers, provides pre-Conference group conscience, hears the Delegate's post-Conference report. GSRs, DCMs, Area Officers and Coordinators, past Delegates vote.

**ALL** members of the Fellowship are welcome at meetings and assemblies. GSRs are especially encouraged to attend even when they do not have a vote.

*Every GSR is potentially a future DCM.*

## Rules of Order at Area 60 Meetings

- Items for consideration are put on the **agenda**.
- Items are posed to the meeting in the form of a **motion**.
- All motions require a **second**.
- Motions can be *amended*, *tabled*, or *moved to a vote*.
- A vote is taken and the **results** are announced. The **minority vote** is allowed to voice its opinion.
- If a member of the majority (those who "won") wishes to **change their vote**, a second vote is held on the motion.
- The result of the second vote stands and the meeting **moves to the next item** for consideration.

### What's the "Point of Order?"

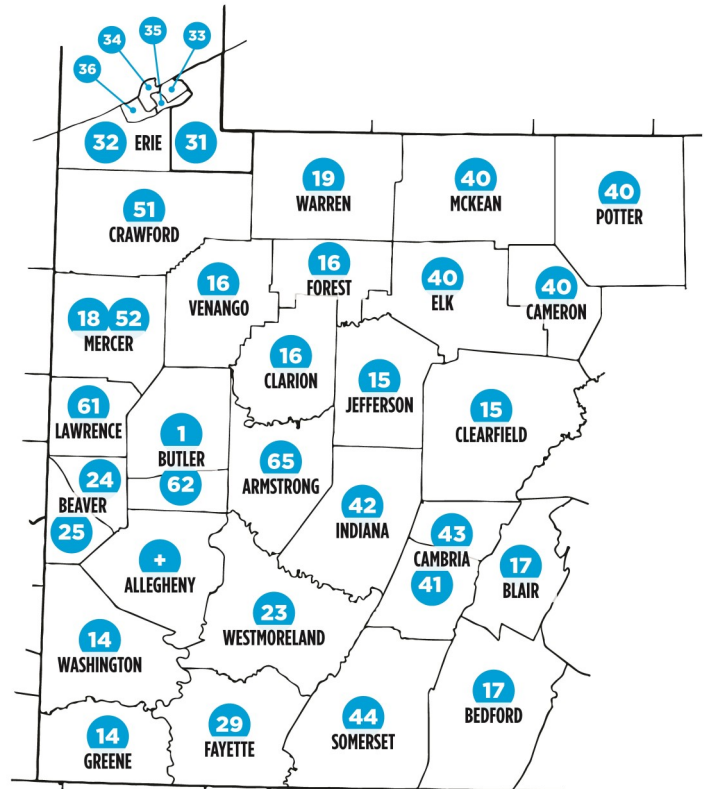

- ◆ To ensure that all voices that wish to be heard are heard.
- ◆ To ensure that no one voice dominates all others.
- ◆ To ensure that everyone gets to speak **once** before another speaks **twice**.
- ◆ To ensure that everyone understands the content of the vote.
- ◆ To ensure that it is clear what actions were taken.
- ◆ To ensure a thorough record of the actions taken.

Motions requiring substantial unanimity of the meeting require a two-third majority for approval. In some cases, the minority opinion (the people who "lost" the vote) may be larger than 50% of the vote.
