Our membership ought to include all who suffer from alcoholism. Hence we may refuse none who wish to recover. Nor ought AA membership ever depend upon money or conformity. Any two or three alcoholics gathered together for sobriety may call themselves an A.A. group, provided that, as a group they have no other affiliation." — Tradition Three (long form)

"Each Alcoholics Anonymous group ought to be a spiritual entity having but one primary purpose — that of carrying its message to the alcoholic who still suffers." — Tradition Five (long form)

"Unless there is approximate conformity to A.A's Twelve Traditions, the group … can deteriorate and die." — Twelve Steps and Twelve Traditions, page 174

Meeting Types

There is a big push this year to get all the groups organized by Meeting Type – this is to help with the new AA Meeting Guide app and online meeting search. Here's an example: If someone searches for a Big Book meeting, and your meeting IS a big book meeting, but is not LISTED as a big book meeting… it will not show up for that person's search.

How do I update the group's type? Just add it in parenthesis after the TIME the group meets. For example, if the group meets Tuesday at 5:30pm, and you'd like to include that it is a Big Book Study, and an Open meeting, simple put it like this: "5:30PM (B)(O)"
